

Bug summary:

The little triangle on the right top corner should be blue, but it is red.

Observed Behavior (a description of what happened with the app):

The subscribe page has a red triangle instead of a blue one.

Expected Behavior (a description of what you expected to happen):

I just looked around the app and tried to subscribe a random show. and went to the subscription page to see it. It should have a blue triangle on the top right corner.

Steps to Reproduce (the steps to reproduce the problem):

1. I found the subscription tab
 2. subscribed to a show
 3. Went back to the subscription list.
